Background: Clients who meet respective program eligibility requirements may participate in WIOA Adult, Dislocated Worker, and Youth programs concurrently. Such individuals must be eligible under the different program eligibility criteria applicable to the services received.

Policy:

The Oswego County WDB and OCWNY Career Center may enroll individuals in more than one program where such enrollments benefit the customer, maximize resources, and do not adversely affect program performance. Staff will determine the appropriate level and balance of services under the WIOA Adult, Dislocated Worker, and Youth programs.

This policy also applies to concurrent enrollment of customers in WIOA and other funding sources, based on applicable eligibility criteria to meet customer needs and maximize resources.
