- and more!

Explore local training providers on your own or come meet with an employment specialist who can help you find a training provider that fits your needs.

Walk in to the career center weekdays 8:30AM-4:00PM at 200 N second street in Fulton, right across the way from Mimi's diner to meet with an employment specialist!

SYEP Training the Next Wave of Workers!

The Summer Youth Employment Program is fully up and running! OCWNY partners with local business to give qualifying youth between the ages of 14-20 the opportunity to gain valuable experience on a worksite and the chance to earn some money along the way!

SYEP teaches participants the importance of showing up and putting in effort every day. Our team of summer counselors provide guidance to nearly 150 participants, helping teach soft skills, like teamwork, communication, problem solving, and time management. For many just starting out in the workplace SYEP is a great place to learn and practice these skills!

You can find summer youth workers all throughout the County supporting businesses large and small including:

- Fulton Youth Basketball
- Camp Hollis
- Camp Foundations
- Lazy Dirt Flower Farm
- OCO Food services
- Davis-Standard
- Sandy Creek Rec
- Various Oswego County school districts
- And more!

If you want to learn more about how to get involved, as a counselor, supporting business, or as a participant give us a call at 315-591-9076. We would love to have your support for Summer of 2027!

Disability Resource Coordinator Corner

Mental health is an important part of a healthy lifestyle and is essential for success in the workplace. There are many tools out there that can help and OCWNY can assist in identifying resources to assist!

Mental Health Hub

Mental health conditions include a broad range of conditions and disorders that may affect mood, thought, and behavior. Examples include depression, anxiety disorders, schizophrenia, post-traumatic stress disorder, eating disorders, and substance use disorder. Signs and symptoms vary based on the specific condition, workplace circumstances, and other factors but may include difficulty with concentration, stress management, social interaction, or emotion regulation.

Money Management

The Workforce Innovation and Opportunity Act (WIOA) supports the financial empowerment of people with disabilities. People with disabilities have the right to manage their money and benefits to achieve financial goals. Aligning employment activities and having conversations about money can help job seekers understand the connection between working, earning income, and setting and achieving financial goals.

Supportive Services Resources

Schedule a Ride

Oswego County Opportunities (**OCO**) Transportation will be accepting weekend Medicaid transportation trips through the Medical Answering Services (MAS) portal on Saturdays and Sundays from 8:30 a.m. to 5:00 p.m.

Until now, there have been no local Medicaid transportation providers available on Sundays and only very limited availability on Saturdays. By expanding weekend service, more residents will be able to get to important medical appointments when they need them.

OCO's vehicles are fully wheelchair accessible and equipped to safely transport passengers using wheelchairs, walkers, and other mobility devices. Please help us spread the word to your clients, patients, colleagues, and community partners!

How to request **OCO** for a Medicaid trip:

- Schedule transportation through Medical Answering Services (MAS) either online or by calling (855) 733-9395.
- When scheduling, ask for Oswego County Opportunities (OCO) as your preferred transportation provider.
- MAS recommends requesting transportation at least 72 hours before a scheduled medical appointment whenever possible. Trips are provided at **no cost** to eligible Medicaid members and are arranged using the most appropriate mode of transportation for the individual's needs.

This expansion fills an important gap in weekend transportation services and will help ensure Medicaid recipients have reliable access to healthcare throughout the week.
